LIVING HISTORY CLASS VISITS FISHING BOAT

The following is an account by the students of the Living History Class at Old Rochester Regional High School of their visit to a fishing boat.

On Monday, July 28th, the Living History Class from Old Rochester Regional High School visited the Hathaway-Braley Wharf in Fairhaven to investigate the status of the fishermen's strike that is now in its fourth week. While there, they questioned Mr. George Edwards of Mattapoisett who is a partner-owner and the skipper of the "Ruth and Lorraine" dragger.

Mr. Edwards took the group on a tour of his boat and explained the fishing operation. He also demonstrated the use of the different types of fishing gear and operated the electronic equipment that is used for navigation.

After touring the boat, the group asked Mr. Edwards several questions pertaining to the strike. Mr. Edwards explained that the main cause of the strike was based upon who would pay the expenses of the trip (such things as fuel, ice, food, etc.); the boatowner or the fishing crew. Presently, the division of profits are arranged so that 60% of the net profit goes to the crew and 40% to the boatowner. The trip expenses are deducted from the gross, before the net profit is divided. The fishermen want the 60 - 40 division made before expenses are

deducted and the expenses subtracted from the owner's 40% share. The owners, in turn, want the expenses deducted from the fisherman's 60% share.

Mr. Edwards further explained that the average salary for fishermen in New Bedford is between 15 and 20 thousand dollars a year. He said that in most cases, the boatowner's profits at the end of the year do not equal one crew member's salary. He gave as an example the facts that he experienced when he skippered his last boat, the Christina J; the crew had earned $15,000 for the year and the boatowner had a net loss of $6,000 for the year. He stated that the reasons for this were due to the increased costs of insurance, maintenance, and equipment for boatowners.

When asked if he thought that there was any progress being made in negotiations and when the strike might end, Mr. Edwards said it appeared to him that the owners and fishermen were further apart at this point that at any time during the three and one-half weeks of negotiations.

Mr. Edwards was a very gracious host, but fully appeared to the group to be a frustrated and disappointed skipper who was very, very anxious to get back to sea.

In a recent statement to parents of Scouts, Quick said, "A jamboree experience offers to a boy an exciting, fun-filled week of Scouting at its best, and it is the high point of boyhood."

He also pointed out that the jamboree is a "tangible fulfillment of the ideal of brotherhood and an opportunity to demonstrate the value of the Scout program to the Nation."

Scoutmasters for the provisional troops are Frank Jason of New Bedford, Brad Schofield of Westport and Robin Cambra of Tiverton.

Quick said the local contingents will join an estimated 35,000 Scouts and leaders at each site.

SPECIAL TOWN MEETING

Two-hundred certified signatures on a petition have been presented to Mattapoisett Selectmen. This action makes it mandatory that the Special Town Meeting requested be called within the specified time period as required by law. The Board has set Thursday, September 13th, at 7:30 P.M. at Old Rochester Regional High School as the time and place. All petitions and articles to be included must be in the hands of the Selectmen by August 16th.

The petition proposes the installation of approximately 13,000 feet of 10-inch and 13,000 feet of 8-inch water pipe to supply water to Brandt Beach and Leisure Shores and to include a 10-inch pipe through an easement from West End to West Hill Road and westward to Brandt Island Road.

STATE CONSIDERS IMPOSING BUILDING CODE

Mr. George Hall, representing the Mattapoisett Board of Selectmen, attended a meeting of the Massachusetts Building Code Commission in Brockton on Tuesday, July 31st. This Commission proposes to adopt a new Statewide building code (BOCA) which would nullify all local building codes now in effect. In addition, they propose placing the Building Inspector under Civil Service with the State

setting the wage scale which will be paid by the town. This Commission is holding hearings in each County in this proposition. Mr. Hall, executive secretary, expressed the Board of Selectmen's opposition to the adoption of this BOCA code. He said that the town's regulations are adequate for the town. Moreover, they are written in language that is understandable to the general public while this BOCA code is very complicated. He objected to the town's being forced into Civil Service. He objected to the State of Massachusetts dictating wages to be paid to town employees. He stated that this is one more case where the State is dictating regulations to the towns while not prepared to reimburse the towns for those greatly increased costs which result from such dictation.

According to statements made at this meeting, the Commission will file a report after a series of hearings in each County. If the report is favorable to this State BOCA code, the code will automatically go into effect and will not require action by the legislature.

POLE HEARING

A hearing will be held on August 21st at 8 P.M. on a petition by the New Bedford Gas & Edison Light Company for 2 pole locations: one pole location at Anchorage Way and six poles on Tara Road.

Three poles on High-on-a-Hill Road were approved by the Board of Selectmen. No hearing was required because the locations already exist.

TRAILER INVESTIGATION

A trailer contingent from Angelica Point met with Selectmen as a result of a trailer census now underway in Mattapoisett. Most of these trailer dwellers have been located at Angelica since 1961 and, therefore, have "grandfathers'" rights. Fourteen trailers have been found to have such rights (legal). The town is presently conducting a survey to check on illegal use of trailers in Mattapoisett. The Board of Selectmen remind trailer owners that a permit is required from them for trailer use as living quarters. A permit may be issued for a live-in trailer for not more than a 2-week period at the Selectmen's discretion.

MARION SHELLFISH AREAS

Ray Pickles, Marion executive secretary, representing the Marion Board of Selectmen, has advised Mattapoisett Selectmen that all areas in Marion, except Burr Bros. and Hammetts' Cove, will be open to the taking of quahogs. Commercial fishermen will have the same areas open to them but their territory will start 3 feet out beyond mean low water.

Soft shell clam areas are unchanged.

the fiscal year. A total of $158,668.00 was spent. According to the State, this report will be reflected on the cherry sheet.

GRAVEL PIT INSPECTED

Mattapoisett Selectmen have inspected the Henley-Lundgren gravel pit south of I-195 and approved the restoration. They have so advised the company. The other section, north of I-195, has not been satisfactorily restored.

HARBOR BEACH BUMPS

The Board of Selectmen has advised John J. Grant, on his request to install bumps across the Harbor Beach Road to slow down motorists, that such installation may be done on private roads providing that he can get the town rubbish collector to run his truck over the bumps. They also advised that he check with the highway surveyor Manuel Nunes to see how that would affect snow removal equipment. They suggested that he check with the Chief of Police and Fire Chief to see if any problems would be presented to equipment in those departments.

OBJECTION TO OPENING COAST TO PUBLIC

The Board of Selectmen has sent a letter to State Senator John F. Aylmer strongly objecting to a revival of a State bill that would open every mile of the State coast to free access of the public. The Selectmen objected to this proposal previously on the grounds that it was worded in such a way as to destroy property owners' rights in the beach area. They ask that Senator Aylmer use every means to insure that this legislation never gets filed.

WHARF CURFEW

The curfew at Barstow Wharf at the Mattapoisett Bathing Beach has been changed at the request of fishermen. The Board of Selectmen has set 10 P.M. to 5 A.M. as the closed period at this wharf.

YOUTH CORPS EMPLOYMENT

Mark Robertson has been employed by the town under the Neighborhood Youth Corps. He is scraping and painting the rail of the bandstand. Gail Anne Gasper is employed at the Town Hall under this program.

LIBRARY CONTRACT AWARDED

The Board of Library Trustees awarded a contract for pointing of the library building, work on sills and main entrance repair. The work will start in about a week. The contract was awarded to Harold S. Bosworth Company of Dartmouth for a low bid of $3,650. Other bids were: Sylvia Construction, Inc., $3,975.; Fisher & Rocha, $4,761.; Fleurent & Nordung, $4,800.; Dupre, Inc., $5,803.

Divide and

Editorial, D.C.J.

Mattapoisett residents may or may not be aware of an imminent redistricting plan to cut the town off from its ties with Marion, Rochester and other nearby Plymouth County towns. The Massachusetts legislature will shortly consider tearing Mattapoisett loose from historic roots and from neighbors with similar backgrounds, concerns and philosophies, and placing the town into a district to the west where New Bedford is the dominant force. When this happens, what small influence that we now retain, in concert with towns of similar interests, will vanish. Mat-

tapoisett will be dominated by the numbers game. The representative from that district has no knowledge of Mattapoisett's concerns. In any contest of will between New Bedford and Mattapoisett, how will the representative stand? For example, New Bedford has problems with a non-working portion of their population. Mattapoisett has large areas of undeveloped natural swampland. True, this land should be protected by wetlands legislation but, in practice, this is not the case. With the town under the Federal deadline for sewer action, the countdown is already ticking off. Just as soon as a sewer system is in being, those great swamp areas of the town that provide the oxygen, the breathing space, the green belt will be fair game for exploitation by developers. Wetlands are disappearing at the rate of 700,000 acres a year in this country. One-third of this nation's wetlands have been destroyed as the human tide fills them over. Should this town expect to be the exception? Should Mattapoisett be placed in the dominance of New Bedford, how tempting those acres of wetlands. New Bedford's problem population of non-producing people must be dumped on someone to care for, to house, to feed, to clothe and police. Now, at least we have a voice. Senator John Aylmer has responded to all requests of our town

officials and is working continually, against heavy odds, in our local interests which, incidentally, match those towns in our district. There has been a steady erosion of power over many years in Massachusetts. The Commonwealth has local government dominated almost completely. This is an example of the political surgery that cuts the voter out of the body which united gives him the power to govern. From that moment when Mattapoisett is cut loose and placed in the shadow of the western cities and towns, we will be ineffectual. Mattapoisett Selectmen have protested. They have received the usual bland brush-off.

Once, they will say of this nation, the people controlled the government. That power, almost unnoticed, flowed away like grains of sand in single instances. Mattapoisett's grain is sliding gently to the dropping point. Almost unnoticed, you might say.

Carriage Shed Misused

OUR CARRIAGE SHED IS NOT
A PAPER STORAGE SHED

Two public service activities, the beautifully restored Carriage Shed and the monthly paper collection drive, are physically located close together on the Congregational Church property. However, physical closeness is their only connection.

Certain people have seen fit to place papers in the Carriage Shed at odd times on the assumption that someone will clean up after them. The result is the spoiling of the appearance of the Carriage Shed, loose paper blowing about town, and unhappiness on the part of responsible citizens who appreciate the restoration of the Shed and also feel that recylcing paper is a service to all.

If you've helped clutter the Carriage Shed,

Grange Fair

Just a repeat on the supper, Friday, August 24th, in conjunction with the Mattapoisett Grange Fair, with a committee of Bernadette Alves, William Smith and Ruby Barber. Don't miss this, the Grange is noted for its excellent cooks.

Then, on Saturday, August 25th, the Fair will open at 3 P.M. with Congressman Gerry Studds at the opening.

Some of the highlights of the Fair will be (it is hoped) a fine vegetable exhibit, a lovely flower and plant display, needle work by the ladies of Mattapoisett, not forgetting the treasures you may find on the white elephant table; in bragging about the Grange cooks, you will have a chance to buy from a nice selection at the food table; it won't be too early to Christmas shop at the gift table where you will find many lovely things. Another very active department is the Merchants' Auction, with donations from the stores, shops, gas stations, markets and restaurants.

You also have a chance to exhibit vegetables, flowers, needle work, jelly or food. The State Department of Agriculture has given a sizable amount of money for the premium awards; also two large rosettes for special recognition.

The public is urged to enter any exhibit you

RACCOON PROBLEM

A raccoon was the subject of a complaint to Mattapoisett Police Sunday, July 29th, on Prospect Road. Patrolman Souza responded and was attacked by the animal which he shot. The head has been sent to Boston for analysis because a youngster was scratched in that locality only 2 days previously.

The lab report was inconclusive because of gun shot damage to the brain.

Parents should caution their children against approaching wild animals or any animal that is strange or agitated.

Almitra Coffee House

Looking for something to do on Friday nights? Did you know that Mattapoisett has its own coffee house? Well, Almitra runs every Friday night in the basement of St. Anthony's Church from 8:00 to 11:00. This is the beginning of her fourth year in Mattapoisett, providing live folk music for those who want to hear it and providing a place for those who want to play it. Almitra is run by teenagers, but is by no means strictly for them; all ages are invited to attend. Anyone who would like to help with the coffee house or would like to play at it is asked to call Sally Jones, at 758-6601. This week, Janice Canto, with her beautiful voice, will be playing; also Jack Radcliffe, with his jokes and rag-time piano. Others will be there, so why not join us this Friday, August 10th, for a night of good music and fun.

Mattapoisett Grange

Mattapoisett Grange held its meeting last Thursday night with the worthy master Mark Harris presiding.

The charter was draped for the late Walter Caswell, past pianist, by the chaplain Gladys Pearson. She was assisted by Susan LaFleur, Dorothy Harris and Dennis Sylvia.

The Committee on Resolutions for Walter Caswell is comprised of William Smith, Dennis Sylvia and Ruby Barber.

Breton, Lauren Horne and Phillip Barrows, were voted into the Grange membership. Marybeth and Phillip were initiated into the Subordinate Grange by Master Harris. Lauren Horne was not present but will receive the initiation ceremony at a later date.

It was voted that on Saturday, September 1st, a yard sale will be held by the Subordinate and Junior Granges. Members of both units are urged to save any second hand articles for this purpose.

An added election of officers was held with Gladys Pearson elected Chaplain, Marybeth Breton as treasurer, and Lee Root as a member of the executive committee. It is hoped that the election of officers will be completed at the next meeting, August 16th.

FOOD SALE

The Marion Garden Club will hold a Food Sale on Saturday, August 25th, from 10 to 12 noon at Browne's Pharmacy parking lot on Front Street, Marion.

A THANK YOU

I'd like to thank the Rev. Donald Finley and all the members of the Congregational Church; and the Mattapoisett Police Department for the quick service they gave the late Mrs. Elizabeth H. Tripp. Thanks also to the nurses and doctors at Tobey Hospital for the wonderful care they gave her. Thanking everyone again, James L. Tripp, 55 Church Street, Mattapoisett.

START OF AUGUST JUNIOR SERIES AT MYC

The August Junior Series at Mattapoisett Yacht Club got off to a flying start last Wednesday, August 1st, with 15 Beetle Cats in competion. The skies were threatening and the seas choppy, but nothing seemed to daunt the enthusiasm of the young skippers, and the margins of victory were both narrow and close.

Jim Broadwater in Agamemnon took firsts in the double header.

In the initial contest, which was especially well sailed, Laurie Jenney's Ariel followed Jim by only 5 seconds. Meredith Barnes in Gay Lee Ann II in turn trailed Ariel by just 10 seconds.

Although the final race saw Jim out front by a good 2 minutes, the duel for second and third positions turned out to be a running battle with Carol McCarthy's Blue Cloud finally topping Ariel by 0:07.

APPLICATIONS AT POST OFFICE

The Marion, Mass. Post Office is accepting applications for positions in the Post Office. An examination in the near future will be held for career substitutes for part-time employment as substitute clerks and substitute rural carriers. Anyone desirous of seeking more information or wishing to pick up an application may do so at the Marion Post Office.

Carnival for Dystrophy

A Neighborhood Carnival Against Dystrophy will be held August 11th and 12th at 3 Martin Avenue, Mattapoisett. Cheryl-Ann Tavares, daughter of Mr. and Mrs. Edmund Tavares, will serve as Ringmaster.

The Carnival, which will be held from 2 to 5 both days, will feature a yard sale, games, ring toss, magic show, sandbox treasure hunt and more! Prizes will be given to winners of games. All proceeds will go to aid the fight against dystrophy and related diseases afflicting millions.

Cheryl-Ann got the idea for staging this event while watching TV personality Rex Trailer who is promoting Carnivals on his show seen on station WBZ-TV, Channel 4.

Last year, in cooperation with Muscular Dystrophy Association of America, in Massachusetts, more than 2000 Carnivals were held by children in Southeastern New England, and over $76,000 was raised for MDAA's research and patient service programs.
